

Application for 2013 (Illness) Wish Hunt

UP Whitetails Association Inc. has been asked to work with a large private land owner who would like to give back to the community and provide a wish hunt to a youth with an illness who may not otherwise have the opportunity to experience hunting or have a place to hunt. This could be a doe or buck hunt depending on the herd make up this fall on the private land and it will be up to the land owner to make the call. UP Whitetails Association Inc. will make sure the youth is ready for the hunt and take care of the processing cost after the hunt.

The youth that will be picked (by the landowner) must be at least twelve years of age, but not older than sixteen years of age. He or she must be able to walk a short distance and climb stairs as this could be an elevated blind hunt.
